

RELYANT VEHICLE MAINTENANCE
& TRAINING SERVICES

 **RELYANT**
A PROMISE DELIVERED

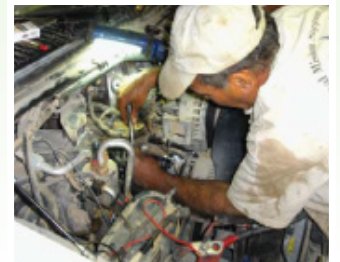

RELYANT VEHICLE MAINTENANCE & TRAINING SERVICES

RELYANT provides full service fleet vehicle maintenance in the most austere and hostile environments in the world. RELYANT has experienced large success particularly in Iraq and Afghanistan where our maintenance services have provided the following:

- Repairs to over 10,000 vehicles
- Facilities capable of supporting over 6,000 vehicles
- Provide ASE qualified local national mechanic training
- Trained and graduated hundreds of Local National Mechanics

TRAINING SERVICES OFFERED

RELYANT successfully provides classroom and hands-on/on-the-job training centered instruction to teach mechanics everything from the fundamentals of automotive repair up to and including advanced troubleshooting techniques. We provide instruction classes on all phases of automotive repair from painting to exhaust system work. At the end of a one year course of instruction, mechanic trainees can perform at the journeyman level and possess the Core Competencies and the basic minimum skills listed below.

CORE COMPETENCIES & BASIC MINIMUM SKILLS TAUGHT:

- Electrical system repair
- Exhaust system repair
- Brake system repair
- Clutch/transmission repair
- Engine rebuild/replacement
- Cooling system repair/service
- Air conditioning system repair/service
- Engine tune-up and drivability troubleshooting
- Suspension system repair
- Steering system repair and replacement
- Preventative maintenance
- Chassis/axle and driveline repair and replacement
- Windshield/window repair and replacement

MAINTENANCE SERVICES

Our maintenance teams provide a wide variety of maintenance tasks to include:

- Suspension system repair
- Steering system repair and replacement
- Preventative maintenance
- Chassis/axle and driveline repair and replacement
- Windshield/window repair and replacement

RELYANT provides scheduled and unscheduled maintenance services. We have relationships with preferred vendors to provide competitive pricing as well as quality parts and service. At RELYANT we pass savings on to the customer.

We have warehouses in Iraq and Afghanistan where we stock the most common repair parts to minimize or eliminate delays in service.

PROVEN SUCCESS

Our contract success exemplifies RELYANT's capabilities and further brings to light how our vast experience in austere/hostile environments as they apply to our core competencies of, vehicle maintenance, construction, security, logistics, life support, and IT solutions. Maintaining an appropriate balance of those competencies together with professional program management and quality assurance continually yields success and provides current and future potential clients with a high level of trust and confidence that the job will be executed within scope, schedule and budget.
